INSTRUMENTATION

WHAT WE DO

Process and flow... It's what we know!

Our customers have relied on our expertise and site assistance to implement durable solutions. We start up and service our installations and ensure customer satisfaction at every step.

K&D Pratt's Instrumentation team brings decades of **knowledge** and **experience** providing solutions that optimize our client's processes across the breadth of measurement instrumentation including flow, level, pressure, analytics, temperature, recording, and digital communications.

Our new instrumentation product line up, is designed to address our customers' specific needs. It includes a range of cutting-edge instruments tailored to applications such as **Water Treatment, Process Controls, Food and Beverage Processing**. These instruments will set new industry standards in terms of accuracy, durability, and ease of use.

Our team has developed a depth of knowledge that supports high-quality and scalable solutions for our clients. Our post-installation services and support further complement our product solutions.

Our Instrumentation team is dedicated to providing **highly professional** and top-quality service for every project we take on. Your **satisfaction** is our highest priority.

COMPANIES WE REPRESENT

With the support of our manufacturing partners we are able to bring innovative solutions to our customers. We pride ourselves on representing the following industry leaders:

MARKETS WE WORK WITH

- Oil & Gas
- Energy / Utility
- Mining
- Marine / Offshore
- Municipalities / Government
- Pharma / Nutraceutical
- New Construction
- Shipbuilding / Shipyards
- Institutional
- Manufacturing
- Food/Beverage Processing

SOLUTIONS/OFFERINGS

- Flow Measurement
- Pressure / Temperature Measurement
- Level Measurement
- Pressure/Temperature Gauges
- Chlorination Systems
- Liquid & Optical Analysis (pH, DO, etc.)
- HP Controls / Valves / Fittings
- Field Services / IMR
- Equipment Startups & Commissioning
- Calibration Services
